OJS Usage in Indonesia: The Rise of Open Journal Systems

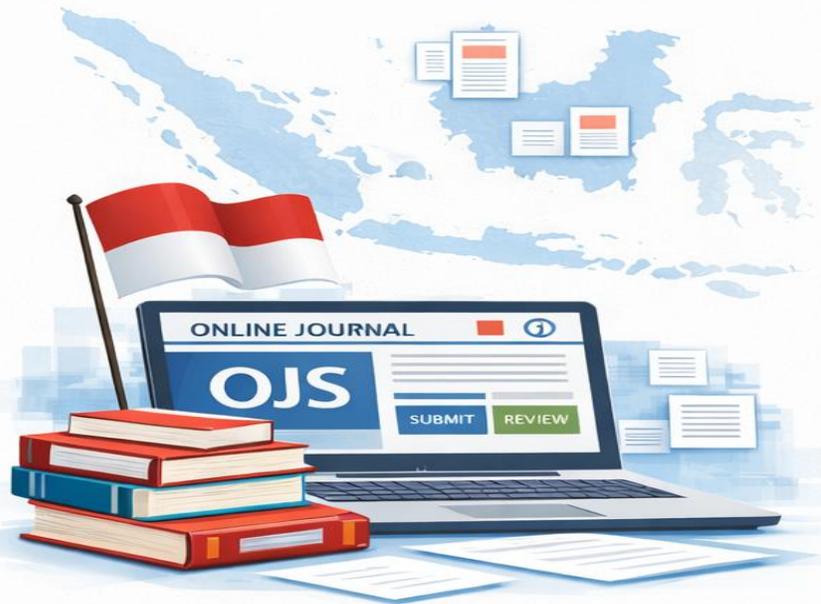

Over 27,807 Journals in Indonesia Utilizing OJS

27,807
Journals

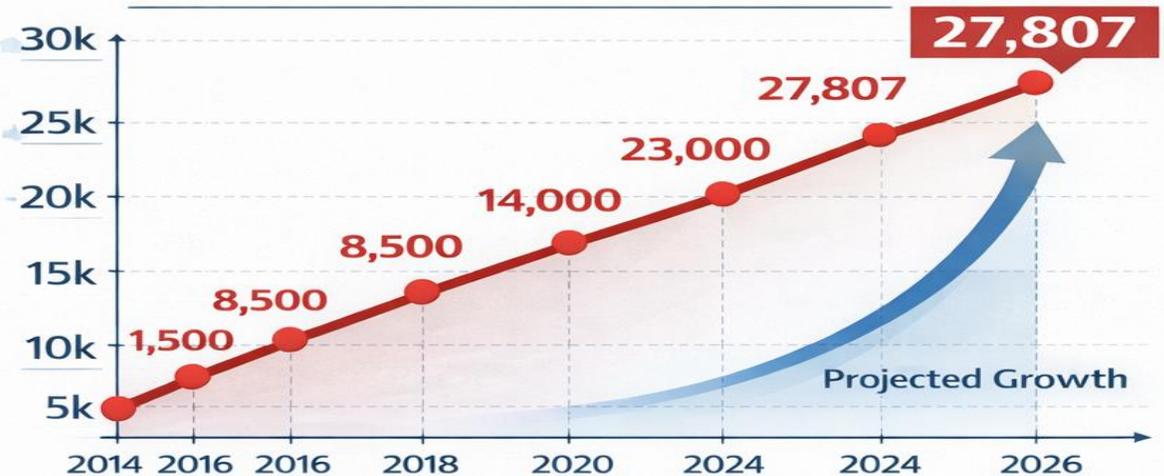

4,743,112
Articles Published

5,161
Publishers

5,161
Publishers

Growth of OJS Journals in Indonesia

Research

Peer Review

Publication

Increase Scientific Publications in Indonesian Universities

The letter instructs all Indonesian universities to increase scientific publications. It sets mandatory publication requirements for graduation:

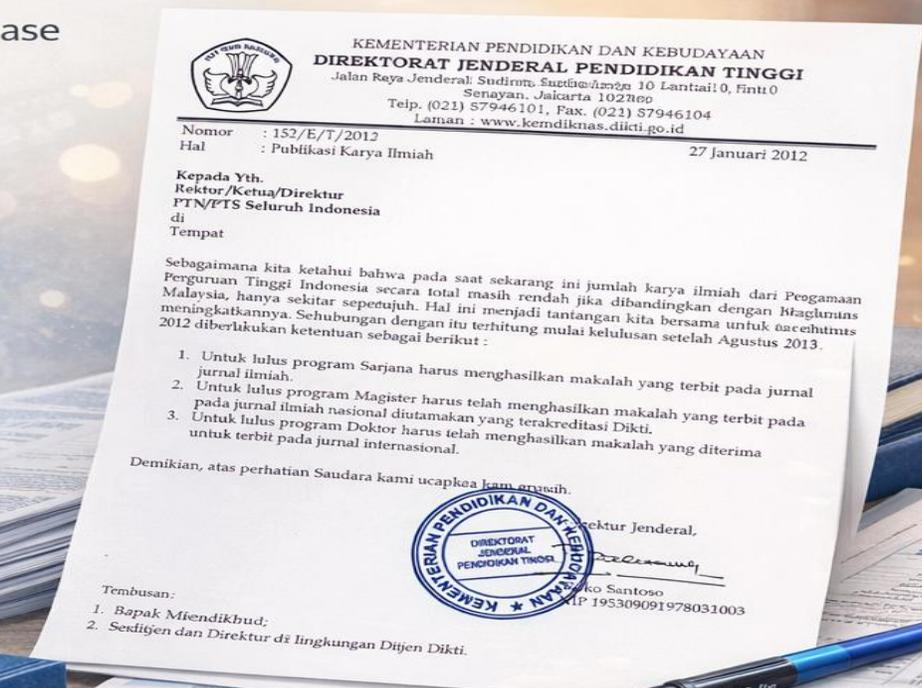

Undergraduate students must publish in journals

Master's students in accredited national journals

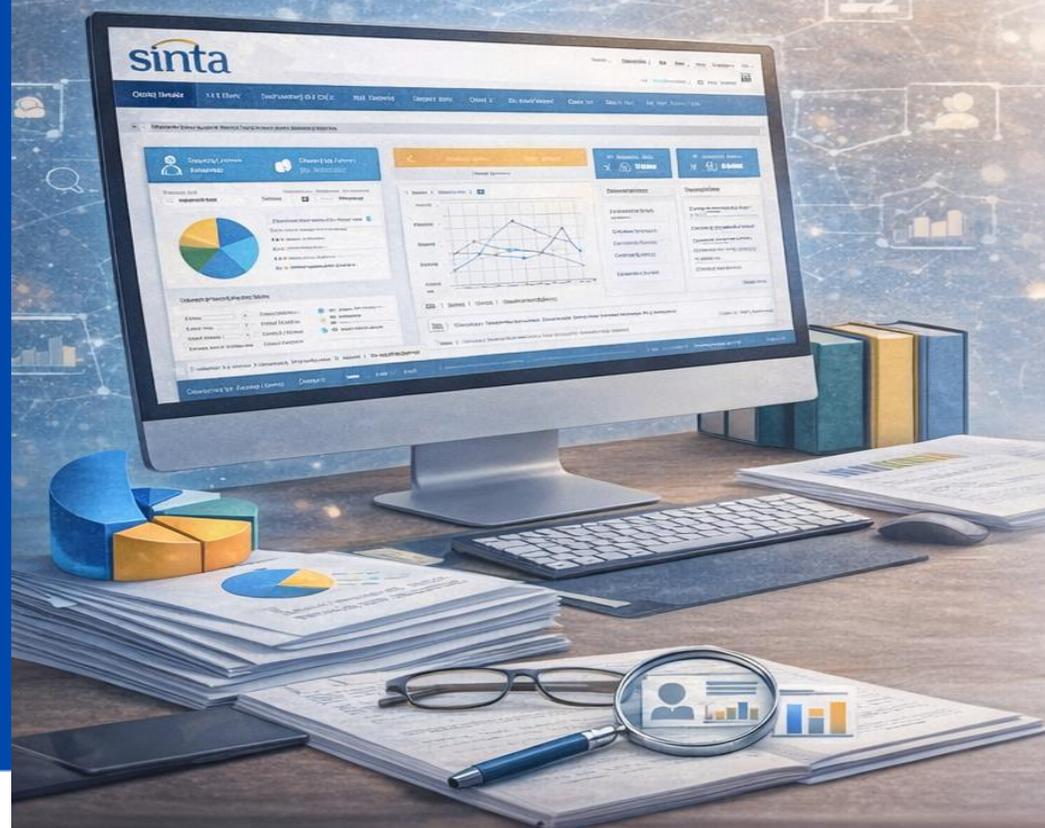

Doctoral students in international journals

sinta **SINTA** (Science and Technology Index)

Delivering Access to Citations and Expertise in Indonesia

 **13.518**
Total Journals

 **13.518**
Total Journals

 **1.794**
Total Publishers

-  Provide benchmarks and analysis
-  Identify research strength of institutions
-  Develop collaborative partnerships
-  Analyze research trends and directories

SINTA

- ✓ Nearly every study program in **higher education** has journals
- ✓ **Academic violations** will result in discontinuation on **SINTA**
- ✓ Journals as a source of **income**
- ✓ Government now focuses more on **quality** instead of quantity
